COLONIES RALLY TO ENGLAND'S CRY FOR HELP IN GREAT WAR

Newfoundland troops at Aldershot, England; wounded Indians recuperating at Bournemouth, England.

England's colonies have answered enthusiastically to her call for help in the great war. From Canada thousands of soldiers have gone forth to fight the foe in northern France, while the Dominion government has appropriated millions for war purposes. Other thousands of troops have come from India. Garbed in their picturesque costumes, they make an interesting sight on the battlefield. They are hard fighters. In South Africa the Boers who were fighting England a few years ago have come to her assistance and conquered German South-West Africa. Australians are fighting the Turks on the Gallipoli Peninsula. The accompanying photos, showing Newfoundland and Indian troops in England, have just been received.

OGDEN HIGH WINS IN FIRST GAME OF THE SEASON

Glenwood Park, October 16, 1915—Ogden high school, 6; Jordan high school, 3.

After losing enough ground on penalties to have given them one or more touchdowns for superior playing ability, had their play been void of fouling, luck, coupled with the speedy legs of Captain "Louie" Falck gave the Ogden high school football eleven the victory over the Jordan high school team in the first game of the season in which the two teams have figured.

The game was played at Glenwood Saturday afternoon before a crowd of more than 400 Ogden high school students, past students and other local "rooters" that went "wild" with enthusiasm in the third period of the contest, when Captain Falck recovered the ball, fumbled by a Jordan player following a punt by Joe Falck, and planted it behind the visitors' goal. Falck duplicated the trick at the close of the game, but the additional six points were not allowed. Timekeeper Gilne admitting that the play was started, but not finished in time.

Captain Falck was the individual hero of the day, showing speed that should place him at the head of the high school league quarterbacks in this regard. At getting past the opposing players following punts, he showed unusual speed and cleverness in dodging and, in addition to making the two touchdowns, he made the fea-

ture tackle of the day, going through the Jordan field following the second kick-off and downing in his tracks the Jordan player that received the ball. Equalling in value to the team, though in other lines of play, was his brother, Joe Falck, who did the punting and showed up strong in getting through the Jordan line and tackling on mass play and end runs. In advancing the ball on offensive play, Allison, Dee, Cross and Tackett displayed the making of a fine backfield. In Saturday's game, after making a number of spectacular gains, Allison was knocked out. He recovered and played until he was replaced shortly after the opening of the second half by Tackett, a much heavier player and a last season star.

The locals were outweighed apparently fifteen pounds to the man, but, taking into consideration the penalties they suffered, while Jordan's were comparatively infinitesimal, they proved themselves much superior in playing ability to the visitors, the latter's goal being in danger a number of times, when a penalty on the locals would save it. With similar good judgment in making substitutions at the right time, as he used Saturday, Coach Romney stands a good chance to lead his players to the state pennant.

The field was in ideal condition for the game and in every way, it was highly interesting to the fans. The first quarter was about evenly balanced and ended with the ball in the middle of the field. At the beginning of the second quarter, the Orange and Black tried end runs and lost the ball on end runs. Jordan bucked the line for two downs and then punted. Cross recovered the ball and returned it ten yards. On the next play, a punt was signalled, the ball was passed badly, but Joe Falck managed to pick it up and run a couple of yards before being downed. Then, in turn, Allison, Dee, Cross and

Allison took the ball through center for good gains, Captain Falck followed them with an end run and Dee again took it through center. With things looking promising for a touchdown, Jordan braced and Joe Falck was forced to punt. The ball went over the line, but was carried back to the point of scrimmage and Ogden was penalized twenty-five yards on account of Captain Falck tripping a Jordan player.

With the play again starting near the middle of the field, the Orange and Black took the ball on the third down on a fumble and again worked toward their opponent's goal. Dee advanced it 3 yards, Allison 10, Dee 6, Allison 10 in two successive plays and Cross three, through center and Allison then made 3 yards on an end run. The next play was a clean forward pass, Allison to L. Falck, which netted 8 yards. A forward pass was missed and the quarter ended with the ball on Jordan's 25-yard line.

Following the kick-off, Jordan was held and forced to punt on the third down. Dee recovered the ball and returned it ten yards and on the next play it went to Jordan on a fumble. At this point, Allison was replaced by Tackett. Jordan went through center for short gains, then failed on a forward pass, the ball going to Ogden. With the ball near the Orange and Black goal, Tackett was sent through center for a short gain and on the next play, Jordan took the ball on a fumble. A forward pass failed, three yards were gained on an end run and then Gardner kicked a field goal from Ogden's 20-yard line, the only score made by the visitors.

The remainder of the quarter was unproductive, the main feature being a brilliant run and tackle by Captain Falck.

On the first play, Jordan tried a forward pass. The ball was fumbled and then recovered by L. Falck. Tackett went around right end for 6 yards, Cross advanced through center

for three and then Ogden lost 10 yards on a penalty. Joe Falck punted and a forward pass by Jordan failed. The visitors then tried an end run, which was broken up by Tackett and on the next play, a forward pass, the ball was fumbled and recovered by Tackett.

L. Falck went through center for a couple of yards, and fumbled the ball, which was recovered by J. Falck. Cross gained 4 yards on an end run and then Ogden lost the ball on downs. Jordan was forced to punt and L. Falck recovered the ball. Tackett gained 8 yards through center and Jordan held the locals for two downs. On the third down, Joe Falck punted. With Dee close on his heels, L. Falck followed the ball. It was fumbled by the Jordan "back" who tried to receive it, rolled over the line and was dropped upon by Captain Falck. A demonstration by the fans, the like of which has not been equalled on a local field in several years followed and almost cost Ogden its victory, the Jordan players claiming that the crowd was on the field while the ball was in play. The claim, however, was disallowed, by Referee "Tillie" Oleson.

Lee Treseder was substituted for Streeter and Greenwell for Conroy before the play was started again. The play in during the remainder of the period was featured by the offensive work of Tackett and Cross, being closed with the second spectacular touchdown by L. Falck.
